GUN & FOAM CLEANER

DYNA-FIX® Gun & Foam Cleaner is a high-quality cleaner of uncured foam residuals. It is designed to clean, protect and extend the working life of foam gun adapters, valves and dispensing units.

Features

- Quick acting and easy to apply
- Fast evaporation
- 2-way use
- Eco friendly

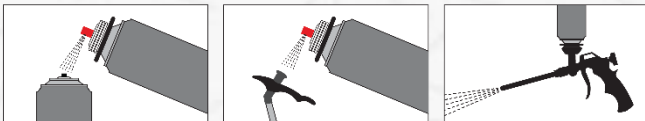

Instructions

Spilled foam should be removed immediately using DYNA-FIX® Gun & Foam Cleaner. Cured foam must be removed mechanically.

Apply with the can upside-down.

Screw the can directly onto the gun and pull the trigger several times at intervals of 10 seconds for internal foam applicator cleaning.

Use red adapter to spray cleaner and clean the gun externally.

Designed & Manufactured According to AFAQ
ISO 9001:2015 Certified Quality Management System
